Article I – Name and Affiliation

The name of this organization shall be the United Nations Association of the United States of
America, Southern New York State Division.

The Division comprises all chapters, contact groups, and members-at-large in the five boroughs
of New York City and in the counties of Columbia, Dutchess, Greene, Nassau, Orange, Putnam,
Rockland, Suffolk, Sullivan, Ulster and Westchester of UNA-USA, LLC (“UNA-USA”), and is
subject to the terms of the Affiliation Agreement between the Division and UNA.
Article II – Purpose and Function

Section 1 - Purpose: The Division shall develop and implement plans, activities and programs in support of the purposes of the National Organization as expressed as follows:

“Since World War II, through champions like Eleanor Roosevelt, Elliot Richardson, and Cyrus Vance, UNA-USA and its chapters and divisions have built American support for the United Nations. In 1999, funded with Ted Turner’s historic $1 billion gift, the United Nations Foundation, Inc. (“UNF”) and Better World Fund (“BWF”), its sister organization, began a world-class communication, education and advocacy movement focused on supporting the United Nations and its causes. Following the footsteps of the original United Nations Association, UNF and BWF, the mission of UNA-USA, a program of the United Nations Foundation, is to inform, inspire and mobilize Americans to support the principles and vital work of the United Nations and to strengthen the United Nations system. UNA-USA encourages U.S. leadership to work constructively through the United Nations and encourages everyone to achieve the goals of the United Nations Charter. Through its chapters, divisions and programs, UNA-USA educates the American public about the invaluable work of the United Nations, raises funds and carries out local activities related to the United Nations, and recruits, engages, and retains members around the country.”

Section 2 - Function: The Division has been organized to further the above purpose and function. Specifically, the Division’s responsibilities include:

(a) assisting the chapters and contact groups in the division to fulfil their mission;

(b) promoting inter-chapter communication and coordination;

(c) fostering the creation of new chapters and contact groups;

(d) educating to inform the public about the United Nations system and build a constituency for constructive United States participation in the U.N. system in those parts of the state or region where there is no chapter;

(e) representing the chapters and contact groups in contacts with state government or state-wide organizations; and

(f) recruiting and serving at-large members in areas where there is no chapter or contact group.

(g) conducting programs on a Division-wide basis. Such programs would only be done with approval from the division board of directors and in a way that complements and enhances, rather than competes with chapter activities.

Article III – Membership
Membership is available to any United States resident. The term “Membership” refers to those individuals who are dues-paying members of UNA-USA. UNA-USA shall assign each new member of UNA-USA to the chapter that operates nearest to the address provided by such member, unless such member requests to join a chapter in another location or elects not to join any chapter. The categories, levels and terms and conditions of UNA-USA membership shall be established by UNA-USA and are set forth in the UNA-USA Chapter Handbook. The Division shall consistently work to increase its membership base through adding individual members and to develop chapters in areas where they do not currently exist.
